OPTION A **Proof of Permanent Fund Dividend Eligibility**

Your answer to ALL of the following criteria must be yes to qualify under option A. Documentation of State of Alaska Permanent Fund Dividend (PFD) eligibility or receipt must be attached to this form.

I am eligible for resident tuition assessment because I:

1. Received or was qualified* to receive an Alaska Permanent Fund Dividend by the State of Alaska Permanent Fund Dividend Division within the last 12 months; and
2. Can certify that I have been in Alaska for the past 12 months; and
3. Declare my intent to remain in Alaska indefinitely.

In the past one year, I have NOT:

- Been absent from Alaska for an aggregate of more than 90 days other than documented absences due to illness, or attendance at another educational institution while maintaining Alaska residency;
- Acted inconsistently with Alaska residency, such as claiming residency in another state or voting as a resident of another state;
- Registered as a resident in an educational institution in another state; or
- Paid tuition at the University of Alaska at the Western Undergraduate Exchange (WUE) program rate.

*The term "qualified" in item 1 above refers to an individual's eligibility for the PFD distributed within the last 12 months, even though the PFD may have been garnished or withheld from the recipient. Proof of PFD distribution or eligibility (not just proof of PFD application) is required prior to the published end of the add/drop period for regular semester-length courses for the semester in which residency is sought.

OPTION B **Proof of Physical Presence**

Your answer to ONE of the following criteria must be yes to qualify under option B, and all documentation must be attached to this form. Note: additional information may be required to support your claim.

- Documentation of my permanent employment in Alaska for at least the prior one year; or
- Other indicia of Alaska residency for the prior one year deemed satisfactory by the chief enrollment officer or designee.

In the past one year, I have NOT:

- Been absent from Alaska for an aggregate of more than 90 days, other than documented absences due to illness or attendance at another educational institution while maintaining Alaska residency;
- Acted inconsistently with Alaska residency, such as claiming residency in another state, obtaining a driver's license from another state, or voting as a resident of another state;
- Registered as a resident in an educational institution in another state; or
- Paid tuition at the University of Alaska at the Western Undergraduate Exchange (WUE) program rate.
