 Alaska 4-H Code of Conduct will be enforced for all shooting events.
 Participants must be enrolled in the 4-H Shotgun Project. Participants must shoot for score once each month. Participants should have ample time for practice and warm-up, then should complete the round except for a rest period if needed.
 No electronic devices other than noise canceling earmuffs will be permitted on the range (e.g. cell phones, range finders, iPods).
 Rounds must be shot during scheduled month and scores submitted electronically to stwilliver@alaska.edu by the 15th of the following month. Results and statewide scoring will be sent to participating clubs and Extension 4-H faculty each month.
 Participants will pay a \$10 registration fee to cover the administrative costs associated with the Alaska 4-H Shotgun Sports Program.
 Forms and registration materials can be found at: <http://www.alaska4h.org/shooting-sports.html>

 Any 12 gauge or smaller shotgun is permitted, in either semi-automatic, pump or break action (over-under or side-by-side). Shotguns with higher magazine capacities may only contain two (2) shells at any given time.
 Course of fire is the standard American Trap from 16 yards.
 For a target to be considered "dead" it must have a visible piece broken from it, or one that is completely reduced to dust. All other targets will be scored as "lost".
 The ATA Rule Book of the Amateur Trapshooting Association of America will be used.
