

**Efficiency and Compliance with the IAF Agreement**

The IAF Agreement requires that the IAF maintain a high level of efficiency and compliance with the IAF Agreement.

1.

2.

could be a significant challenge for the IAF. The IAF must ensure that it maintains a high level of efficiency and compliance with the IAF Agreement.

NSF is a suspension status in the system that generally is due to  
ing accounts under a given budget control. Budget  
from a single account code, such as 1977 (Employee Pns)

Non-Sufficient Funding (NSF) Status:  
insufficient funding that in doubt not
